Polk State College Occupational Therapy Assistant Program Application Questions

Objective:

In order to tell us more about yourself and to ensure that you understand the occupational therapy profession and are preparing for a full-time course of study, this questionnaire is a required component of the application process.

Directions:

Please answer the following questions, each in 100-150 words. When you are finished, save the document for uploading during the application process.

Questions:

1. Please explain why you want to complete the Occupational Therapy Assistant program at Polk State College and why you want to be an occupational therapy assistant.

2. After watching this video https://www.youtube.com/watch?v=jwwOXlLYQ4Q on occupational therapy, please state which practice setting you see yourself in and why.

3. Please tell us about your plan for successfully completing this full-time, two year program while balancing your other obligations such as family and financial commitments.
