

Advanced Technical Certificate Supply Chain Management

This Program Map is Part of the **Business Pathway**

This Program Map is for students who plan to earn an Advanced Technical Certificate in Supply Chain Management at Polk State College. This Certificate prepares graduates to enter the workforce in organizations operating within manufacturing, logistics, retail, and service industries. Admission to this program requires an associate degree or baccalaureate degree from a regionally accredited school or college. Students must meet the requirements for college-level mathematics, reading, and writing. This Program Map is intended to serve as a guide, and students should always meet with their Student Success Advisor to develop a personalized Educational Plan.
