

Bachelor of Applied Science in Supervision and Management (BAS) Concentration: Supply Chain Management

This Program Map is Part of the **Business Pathway**

This Program Map is for students who plan to earn a BAS degree in Supervision and Management with a Supply Chain Management Concentration at Polk State College. Admission to this program requires an associate degree from a regionally accredited institution. For more information about admission criteria, [please refer to the College catalog](#). Students who are interested in earning a BAS in Supervision and Management and do not currently have an associate degree should follow the Program Map for associate in science (AS) in Supply Chain Management. This Program Map is intended to serve as a guide, and students should always meet with their Student Success Advisor to develop a personalized Educational Plan.

Full-Time Program Map for Students Entering with an AS Degree
