

Florida Rule 6A-10.0315 was updated in the Spring of 2022 and now allows students more opportunities to qualify to take Dual Enrollment courses. In addition to meeting the unweighted GPA requirements, students may meet the testing requirement through any combination of **several assessments** and even a high enough final grade in **several high school courses** (see tables below).

**Table 1**

Eligibility in Dual Enrollment Courses from Prevalent Standardized Assessments in Polk County

Standardized Assessment	Threshold score needed in <u>READING</u> for eligibility in <b>non-mathematics</b> and <b>non-science</b> courses	Threshold score needed in <u>Writing</u> or <u>English</u> for eligibility in <b>non-mathematics</b> and <b>non-science</b> courses	Score in <u>Mathematics</u> for eligibility in mathematics or science courses
PSAT	24	25	24
Digital PSAT*	490*	490*	480
ACT	19	17	19
SAT	24	25	24
Digital SAT*	490*	490*	480
PERT	106	103	114
CLT <sup>#</sup>	38 <sup>#</sup>	38 <sup>#</sup>	16
Algebra 1 EOC	NA	NA	AL 4 or 5
Geometry EOC	NA	NA	AL 4 or 5

\*There is only one score reporting the Reading and Writing components for Digital PSAT and SAT.

<sup>#</sup>The Verbal Reasoning and Grammar/Writing scores are combined into one score for CLT.

**Table 2**
