I certify that I am a veteran or a dependent eligible for one of the following chapters and request that my tuition and fees be deferred. (Please note, this form is not acceptable if a V.A. benefit chapter has not been selected.)

- Chapter 30: Montgomery GI Bill
- Chapter 31: Veteran Readiness & Employment
- Chapter 35: Dependents Educational Assistance
- Chapter 1606: Montgomery GI Bill-Selected Reserve

I have read, understood, and agreed to the following conditions:

- Students applying for a deferment agree to repay said deferment by the date specified below. _
- **V.A. deferments are due for repayment 60 days after the first day of class if granted during the fall or spring terms, or 30 days after the first day of class if granted during the summer term.**_____
- Delinquent student V.A. deferment obligations will be turned over to a collection agency, and the student will be responsible for repaying the amount of the V.A. deferment, and any costs accrued as a result of submission to a collection agency. _____
- Students using this deferment are responsible for repaying the total amount of tuition/fees owed for all courses in which registered after the drop/add period by the deadline for payment regardless of the disbursement date for any financial aid awarded, including veteran's benefits. ____
- Students deemed ineligible for aid before or after the drop/add period ends will still owe the full amount of tuition/fees assessed for the term. _____
- Students who have declared a major that has not been approved for coverage by the V.A. understand that all tuition/fees will be the student's responsibility to repay. _____
- Students who are registered for classes which are not necessary for the approved primary major are responsible for paying for said classes unless specifically approved to do so by his/her V.A. case manager. _____
- If any other types of financial assistance are awarded, disbursement of these funds will occur only after the total amount of any unpaid deferments (and any other financial obligations) has been satisfied in full. _____
- The V.A. deferment is applied to tuition/fees and will not be applicable for books. _____

I understand that tuition/fees in the amount of \$ _____ are due and payable by
